Test Rules**

IMPORTANT

You must complete the test yourself with your own original work.

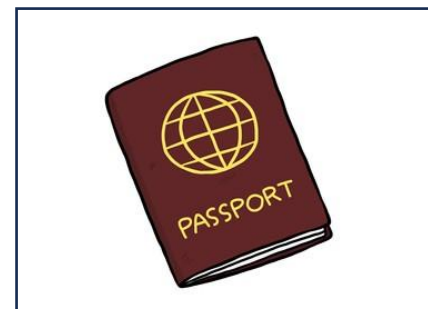

You must **not** use help in any form and must be alone in the room.

If you fail to follow test regulations, your test session may be terminated and/or you may be disqualified.

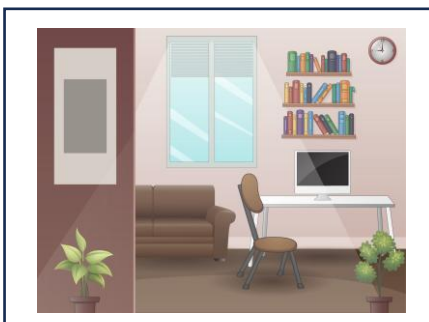

On the day of your test

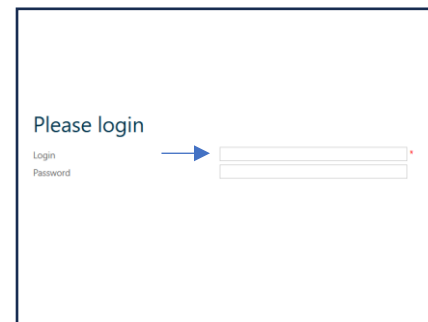

Download the Guardian browser if you have not already done this.

Have your valid passport with you.

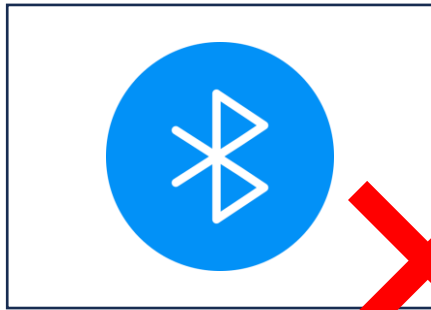

Be prepared to show your room.

Have your test login with you (it starts with EXS or your institution's three letter code).

Test rules

password

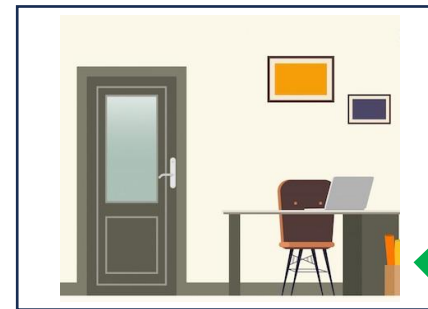

Show that Bluetooth is turned off.

Do not use assistive software, including Grammarly and predictive text.

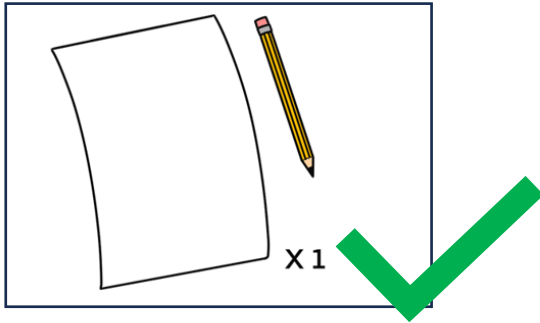

No glass walls or doors unless fully covered.

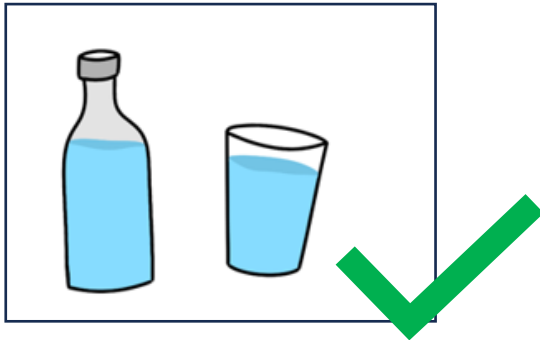

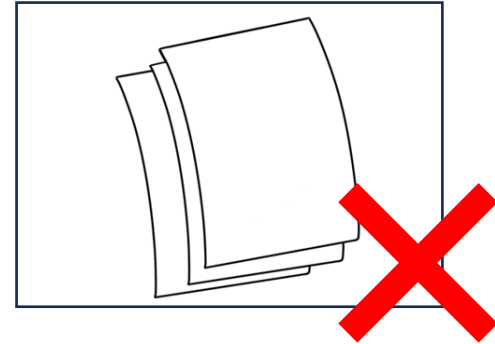

You must have only one door behind you.

Test rules

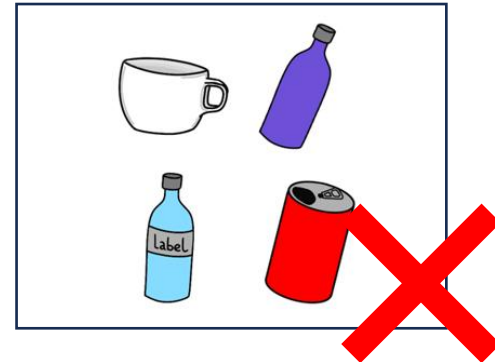

password

Only 1 blank sheet of paper and pen/pencil is allowed.

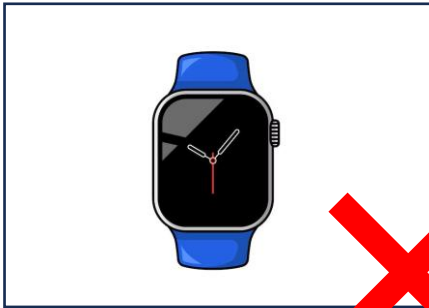

Only water in a clear glass or bottle is allowed.

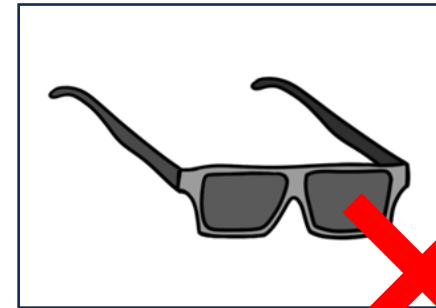

Test rules

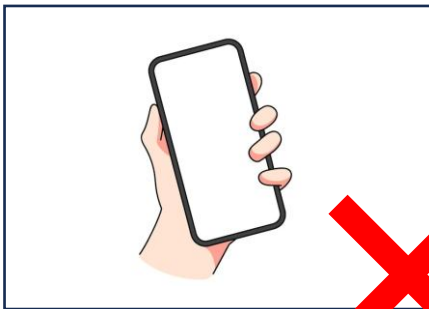

password

No smartwatches allowed.

No sunglasses allowed.

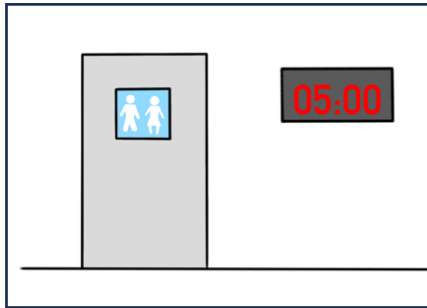

No phones or devices may be used during the test.

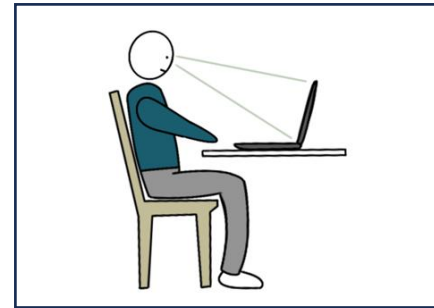

No headphones, headsets or ear buds allowed.

Test rules

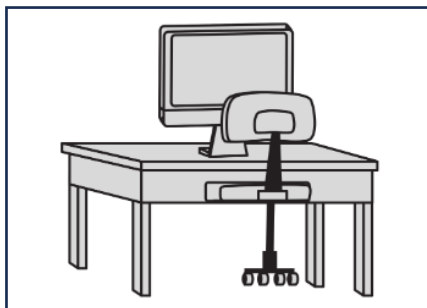

password

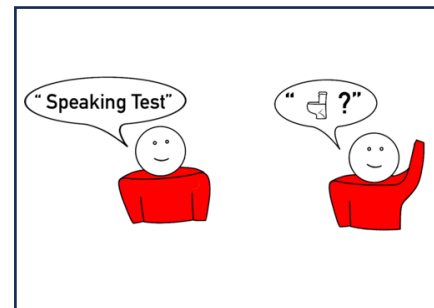

Only one 5 minute toilet break, taken between test modules. Ask your proctor before standing up.

You must sit and focus on the test screen.

Use a suitable desk and chair. Keep the desk clear.

Speak only during speaking test or to speak to proctor.

Technical tips:

- For any technical issues, contact the Password Support team at support@englishlanguagetesting.co.uk.
- If you disconnect from the proctor, do NOT continue your test and contact the Password Support team.
